

# Mumma, Can You Hear Me?

BETTY ELAINE WILLIAMS

Born in rural Maine during the Great Depression, Betty Williams discovered her life's calling while living in an orphanage—she was born to teach, protect, and encourage children wherever she may be...from the jungles of Brazil to schools in Maine. In this captivating autobiography, she shares humorous and inspirational stories where her faith, courage, and strength shine brightly.

Betty raised her daughters in the Brazilian jungle while serving aboriginal people as a midwife, school teacher, and religious missionary. Though often sorely tested, Betty's faith remained strong as she opened her homes in many places to the foster children, students, and many others who needed her.

Betty tells her stories with wisdom, compassion...and good humor.
